E X P E R I E N C E

TEAM MANAGER | DEKA TEAM

Deka Team

2023 - NOW

Develop and implement a strategic roadmap for the integration of AI technologies into web development projects, ensuring alignment with company objectives and industry best practices.

WEB DEVELOPER & DATA ANALYST

Golden Nutrition LLC

2020 - Now

Conduct comprehensive data analysis to identify trends, patterns, and insights, leveraging statistical techniques and data mining tools to optimize business processes and drive informed decision-making.

WEB DEVELOPER

Freelancer

2018 - Now

Collaborate with clients to conceptualize, design, and implement intuitive user interfaces and responsive web applications, ensuring a seamless user experience as a freelance front-end developer.

ENGLISH TEACHER

Different Institutes in Mashhad

2012 - Now

Develop and deliver comprehensive English language lessons to students across various institutes in Mashhad, ensuring a dynamic and engaging learning environment.

C E R T I F I C A T E

Programming with JavaScript (META)

This course helped me get a good understanding of the JS programming language.

[Click here to see it on Coursera](#)

HTML5 & CSS3 Complete Course: Build Websites like a Pro (Udemy)

In this course, I learned html and css ability to creat responsive and user friendly interfaces.

[Click here to see it on Udemy](#)

Python Programming (from MFT Mashhad)

In this course I tried to learn the basics of python programming

Advanced Python Programming (from MFT Mashhad)

In this course, I have tried to learn data analysis using machine learning and deep learning algorithms.

Web Design (MFT Mashhad)

In this course, I learned html, css, js, ajax and react to creat responsive and user friendly interfaces.

Web Design (MFT Mashhad)

In this course, I learned html, css, js, ajax and react to creat responsive and user friendly interfaces.
